“ Aunt Mattie. The days I remember coming to Ohio and waking up to breakfast with more pancakes than I could eat. I always enjoyed hearing your laugh and seeing you smile. You carried such a nurturing light to our conversations. One of my favorite remembrances was you Grandmom Elizabeth and Aunt Rosie and the stories and topics that would come up. Always in my heart and never will be forgotten. I thank you for the memories and I love you Aunt Mattie.

Love Michael
