“ To Aunt Annie Pearl, Andre and the family, I love you and I'll always be praying for you.

*They say there is a reason, They say that time will heal, But neither time nor reason, Will change the way I feel, For no - one knows the heartache, That lies behind the smile, No - one knows how many times, You break down and cry, But I want to tell you something so there won't be any doubt, You're so wonderful to think of, But to hard to be without.*

*Love you always cuz, Rest in Peace
