

Mr. George Gabriel Pierre Dumaine

February 26, 1965 - October 15, 2022

George Gabriel Pierre Dumaine passed away suddenly on October 15, 2022.

A lover of music and concerts, video games and his family, George was a proud father and veteran. George served two years in the Ohio National Guard followed by over six years in the United States Army with the 10th Medical Laboratory earning the rank of Sergeant. He spent six years serving in Germany with deployments to Turkey and Northern Iraq and earning his degree from the University of Maryland and later earning a Master's Certificate from Villanova University. Both during and after his service, George got to see the world, sparking a passion for travel in his four children. With his staple tie-dye t-shirts and beloved dog, Brooklyn, by his side, George made friends wherever he went.

George is survived by his four children, Erika, Xander (Bailey), Taylor, and Morgan, his father Pierre, siblings Andre (Chrissy) and Heidi (Ed) and 3 beautiful and vibrant grandchildren, Atlas, Lucca, and Aries. He is preceded in death by his mother Marian Lee Dumaine. George loved so deeply, touching so many lives both near and far.

In lieu of flowers we are asking that folks plant a tree or flowers in their local community so that George can live on all around the world with his friends and family.

If you would like to give a donation on behalf of George, please direct donations to K9s for Warriors. George will be so sorely missed. Catch you on the flip side. 🍻

“ To the family of George - George knew how to laugh and he knew how to make everyone around laugh with him no matter the situation. He was always very vocal about his love for his family, his dog, and riding motorcycles, and he lit up whenever he talked about any of you. I am so very sorry for your loss, my deepest sympathies to you and your family. George will be dearly missed by all.

“ George was a blessing and a kind soul. We quickly connected over our shared love for motorcycle riding. I also enjoyed working with George at NCJUA, and I really appreciated George's upbeat attitude and his willingness to work well with others. George will be missed and I will think of him on my future bike rides. Honored to have met and worked with George.

“ George was a kind soul and a breath of fresh air. I found him to be very personable and charismatic. He quickly became part of our work family after joining the associations last year. He and I shared a lot of the same interests, hobbies and world views. It has been my honor and privilege to have known and worked with George.

“ To George's Family: I am Sheri Brown and I only had the pleasure of knowing George for the last 4 months working with him at NCJUA but he definitely made an impression. He went out of his way to welcome me to the team at NCJUA sending me a personal card and it truly made me feel special. He always had a smile on his face and even when we couldn't see his face, you could hear it in his voice. We will miss his positive can do attitude and joyful spirit. Your family is in my thoughts and prayers in the coming days as you remember how much George meant in your lives.

“ *George was so gregarious. He could get along with anyone and have a laugh. One of the things I loved about George, aside from our mutual love of all things music, was his love of animals. Whether it was a new show to watch, or how to approach a thorny situation, he was always full of good suggestions. He always spoke from the heart. Hugs to you, George. May your family find peace.*

This is how George's brother and sister soldiers remember him back in the day with they 10th Med Lab in Germany. George was one of the brightest and most thoughtful young troops in our unit and a good friend to us all. There were so many great memories packs I those few years he spent with us. We'll miss him always!

“ *To the Family: I am Tekeela Barnes, Director of IT at NCJUA/NCIUA. I had the pleasure of interviewing and hiring George. George was a positive influence on the staff, upbeat, and always willing to help in any way. Knowing that he was from Pennsylvania, I shared with him that I was a Steelers fan. We enjoyed talking about the young Steelers and the old Steeler, "Franco Harris". He will be sorely missed by all of us here. Please know that my thoughts and prayers are with you all during this time. Take care and God bless. Tekeela*

“ To all of George's Family- There were many adventures had in his life and he did his best to find the happy. He never met a stranger, he loved all people, all thinkers, all music and knew a little something about everything. A guy who had many followers and tried to lead by example. I'm so sorry for you all. May you find comfort and peace in knowing he loved, laughed, and lived as much as he could every day. I will truly miss him and all the "field trips" we may have had. I will hear Elton John, Jesus Christ Superstar, Genesis...and think we hit the best of them. Love, light, and peace for all he left behind.
