“ *I am just finding out that Mr. Williams passed away and would like to offer my condolences. I worked in his office for a year as an Planning intern and he was a wonderful mentor to me. He highly encouraged me to get my Masters in Urban and Regional Planning and that is exactly what I did. May he rest in peace.*

“ *My condolences to George's family and especially to Erica and Hal.*

*George and I lived on the same floor as freshmen at Howard University and we later pledged together Alpha Phi Alpha Fraternity in 1963. More recently, we got together for lunch or dinner when I was either going to DC or returning.*

*George was an amazing and talented person. He was one that I not only called a fraternity brother but a friend.*

*He will truly be missed.*
