“ *Gerelene and I sang together for many years in the Durham Chorale. We shared so much together through health and sickness. I will miss her beautiful voice, her always smiling face and her love of music and the chorale.*

We laughed together so many times while we were trying so hard to memorize our music - but we did it and were so happy when it was time for our concerts. I am so sorry to everyone in the family and send sincere condolences to each of you. Sheila Evans

“ Today I light a candle in remembrance of Mrs. Gerelene Mayfield. Expressing sincerest condolences to Dr. Mayfield and his family during these sad times. I must admit that my family and I are very saddened by our recent loss of Mrs. Mayfield. However, I am eternally grateful and blessed to have been welcomed into the Mayfield family as one of her son's in sciences. Several months ago, we dined and talked about my future with huge support and optimism during our last meeting. I would be remiss if I did not mention how critical she was in shaping my career and personal life. I consider Dr. and Mrs. Mayfield my parents in sciences. Mrs. Mayfield will be missed, but her legacy will live on because of her kind, caring, stern, honest, and nurturing ways of being.

Thank you to Dr. Mayfield and his family for sharing Mrs. Mayfield with us. She will never be forgotten.

With love and gratitude,

Dr. Terrence G. Gardner

“ I did not have the luxury of taking piano lessons when I was young. I had my first piano lesson at the age 23. I took lessons for four years but continued to play throughout my life. When I started attending Resurrection, Gerelene, John and Esther took me under their wing. Gerelene helped me with my music and I was able to play the piano during meditative moments and communion. She would always tell me, I will help you with your music because you practice. We had a standing joke on Sunday mornings. I would ask Gerelene, "Gerelene, did you practice the piano when you got up this morning". She would reply, "No, but I know you did." She inspired me to continue playing the piano. Gerelene, Esther and I have had many enjoyable luncheons and lots of laughter and fun. I am so sad she has left us and her family is in my thoughts and prayers.

“ Gere. Always warm, gracious, and welcoming with a wide smile, distinctive laugh, and good conversation. I loved being in her company and hearing about times in Wilson, at Livingstone, with family. She glowed with love, warmth, and energy. I am grateful for how she enriched John's (and my) Thomasville family lives. Gere came into my life when I was about 9. She is and will continue to be one of my best role models. I am better for having known her and seeing how she functioned as a strong, supportive daughter-in-law (to my Aunt Novis), wife to my "Brother" John, mother, sister, daughter, teacher and friend. She was a blessing to us all and I will miss her greatly.
