“ Lauren, I so enjoyed spending time w/your mother during her stay at Peak Rehab. In fact, my last visit was on Monday evening, during the dinner hour. We had a wonderful conversation about family and recalling ole memories. It was just A few weeks ago I had my sister to pay her a visit while there w/her church for bible study. Although she was never our teacher, we both remembered her fondly from our years at Pearsontown. Even though her passing was very unexpected to me, I am sure that it was "well with her soul."
