“ My condolences go to your family. The death of a loved one is one of the hardest things a person may have to deal with. Although Gloria is no longer living, I hope you can find encouragement from the words at John 5:28,29 "for the hour is coming in which all those in the memorial tombs will hear his voice and come out". There will be a time when you will be able to see Gloria again and enjoy her company. My thoughts and prayers are with your family.
