“ *Good evening to the Miles Family. I was deeply saddened to hear of Harry's passing. He was a former colleague of mine at the North Carolina Department of Transportation and I had the pleasure to work with him. Harry was a fine gentleman, a family man and was a living testimony to his faith. I was honored to be in his presence daily when we worked together and he was very impactful in his work and extremely professional and respectful to everyone in the workplace. My family and I wish to express our heartfelt condolences to Harry's family. Carl Pickney, NC Department of Information Technology.*
