“ *Mrs. Hattie was a lifesaver for me when she kept my daughter Tanita when she was small. Even when she was sick she would tell me to go on to work, don't worry about her, she will be all right. She saved me a few sick days I did not have to use.*

I will always remember Mrs. Hattie feeding my daughter homemade meals (greens) before I was told by my doctor to give it to her.

She was also a classmate of my late mother, Dorothy Prince.

My prays are with you,

Catherine Prince
