

Mrs. Hattie Pearl Perry

September 10, 1940 - December 15, 2024

Hattie Pearl Perry transitioned peacefully and quietly in her Damar Court home, where she lived for over 50 years, on Sunday, December 15, 2024.

Hattie was born on September 10, 1940, in Durham, North Carolina. She attended Durham City Schools. After School she worked as a governess in West Chester County, New York before being employed by the Levy Strauss Company. Upon returning to Durham in the mid 1960's, Hattie was employed at Watts Hospital, before entering the private sector where she worked for more than 40 years.

Hattie enjoyed doing word search puzzles, music, watching old TV shows and movies, cooking and talking trash. But her greatest joy was spending time with family, especially her grandchildren and great-grandchildren.

Hattie was preceded in death by her mother Clara Torain, brother Marvin Jackson, Jr., and daughter Marcia Perry. She is survived by her son Phillip Perry (Juanita) of Newark, Delaware; sister in-law Velma Jackson of Concord, NC., five grandchildren, Rashad and Haley Perry, both of Durham, North Carolina; Kelly Perry of Richmond, Virginia; Sean Perry of Atlanta, Georgia; and Mychal Perry of Wilmington, Delaware; three great-grandchildren, Coi Jones Perry, Jabari Perry, and Hasir Timberlake, close family friend Quymekia Green and a host of other family and friends.

Hattie's service will be held at 12:00 noon on December 27, 2024, at St. Joseph AME Church, 2521 Fayetteville Street, Durham, NC 27707; viewing/visitation beginning at 11:00 a.m.

In accordance with Hattie's wishes there will be no grave site ceremony. If you wish to send floral arrangements or plants, please send only potted plants or flowers and no sprays to the church or the funeral home.

Please keep this family in your thoughts and prayers.

“ I love Hattie so much and honestly don't remember my life without her being in it. A funny memory is that every time I'd come home from college or visit my parents after that, Hattie would stop me to see if I had lost any weight. I never did! She always told me I looked great though. Love her and miss her. - Cristina in Denver
