“ Condolences to the Hart/Bell families. I have many fond memories of Helen and the entire Hart family dating back to the 1950's at Little River High School. My late sister Elsie was a classmate of Helen's. Also my late spouse, Leon Cole, worked with her in the insurance industry as second careers. Helen was such a joyous person that would make your day if you were having a bad day. Praying for you in the days ahead.

When I was a sophomore at Durham High , I met a nice young lady Karen Parker, we quickly became friends. She invited me to her home in Lincoln Apartments where I met her mama Mrs. Helen . I went with her home several times a week. Mrs. Helen welcomed me and showed me love as if I were on of her own children. I have and I never will forget the love that she showed me and give me. I love Mrs. Helen. I would like to extend my deepest condolences to your entire family.
