*Louis was a remarkable person and a good friend who was the kindness and most selfless person one would meet. I am going to miss his sense of humor and all the laughter we shared. When the Lord calls our loved one home he, leaves a gift of memory in exchange. Louis's memory will always be a blessing to me. RIP my dear friend*

“ *Louis (& Dean) were the best neighbors anyone could ask for. Louis always had to make sure “Little Red” wasn’t bothering me or my brother when it was time to play outside. We knew we could run over & get a good snack if we were hungry & they were always our first Trick or Treat stop! We were lucky enough to have you as neighbors for our entire childhood. Heaven is now a better place because of you Louis!!*

“ Louis was the best of any neighbor that I had he was always there when you needed a hand, he cared for our dogs when he did not have to. He always had a kind word to say wherever you saw him. He always asked about Meredith and Josh, I always felt he was the watchful eye when we were not around. Truly a man who will be missed. Thank you Louis may you rest in peace, may God keep you close to his side, be at peace my friend.

*For almost 40 years Louis was one of my closest friends I ever had even up to his passing.. For a number of years we ran 3-7 miles several times a week with a couple of years Louis and I logged in 1000 miles. He was there when I lost three family members in 90 days. as well as times I was hospitalized and immobile. The first couple of "GOOD" seasons. Louis and I would call each other after a fantastic play that the Panthers had made. Louis and Dean watched our daughter grow up. I looked out the door the day after she came home I see both of them coming over to see the new member with a gift.. Being they lived next door to us I didn't usually worry about my daughter when I didn't see her. She was standing at Louis and Alveta's back door with a glass of water or milk. If we met someone we didn't know, Louis or I would say, "This is my brother from a different mother." With a tearful eye I say "Until we meet again, goodbye my brother." I know where you are with our Lord and your mom now.*
