“ *I worked with Bert for many years at DECI. He was always smiling and happy. He was extremely nice to both clients and staff. God bless and watch over his family during this difficult time. I will miss Bert but I will never forget all the good times we shared together.*

“ *My condolences to the family during this time of sorrow. Bert was such a wonderful person. I always loved when he was able to participate when the Turner Family got together to share our expressions of love. I always said he was one of the best bass guitar players that ever played. He had a wonderful smile and a large loving heart. He will always be remembered. May he rest in eternal peace. With much love to the family.*

“ *I loved how Bert would always get soooo excited about his music and playing. To hear him talk about his group, they ranked up there higher than any well know recording group. I miss the enthusiasm and excitement and love he had for his music and being with his fellow musicians and singers. To the Reddick Family and friends, I know it is hard right now BUT you must remember our Heavenly Father felt Bert had suffered long enough.....now he is at peace....no more pain...no more suffering....he is singing and playing with a brand new band.*

“ I am so sorry for your loss. I hope you find comfort in Psalm 34:18. "God is close to the broken-hearted and saves those crushed in spirit. "Make God your comfort. He "heals the broken-hearted." Psalm 147:3 and provides "refuge and strength in times of distress." Psalm 46:1

“ First I like to say to the family that I'm sorry for your loss. Bert whom I often call The Reddick was a great friend and co-worker. One of the greatest memory that I have of The Reddick and will never forget is the Love he showed to me and my family when he drove on a late Sunday afternoon from the Bull city up to Vance co. to hear me preach my trial sermon. Such great love he showed; there are many other memories that I have, but this page can not hold them all. Brother Reddick will be truly missed. Rest in peace "The Reddick"

“ I remember when Bert ask Danny to bring him a snapping turtle, (Bert wanted to cook one) Danny goes fishing a lot and all ways bring us fish or turtle that he catches. This particular time Danny caught the biggest turtle we've ever seen...this thing weighed 40-45lbs, wow. Bert came on the loading dock where we all were looking at this thing, Danny pulled the top up on the cooler where he had the turtle in to let Bert take a look at what he had brought him, Bert looked at that thing and took off running LOL, I thought Bert had roller skates on he was moving so fast, LOL, LOL, he finely stopped running and walked up behind me.....looking over my shoulder and said...he's to big isn't he Boss, LOL, I said no!!! the bigger it is the more meat you have. then and there...you could not convince Bert that he supposed to be that big. we all like to laughed our heads off at Bert. Then he laughed so hard.

R.I.P my soul Brother,
