“ Sending Deepest Condolences 🌸 to the Family of Dr. Fitts. May He Rest In Heavenly Peace. 🙏🙏🙏🙏🙏❤️❤️❤️❤️❤️

Dr. Fitts was my Health Professor at NCCU in the Health Department. I took a couple or more classes under his tutelage. He was a magnificent instructor. I enjoyed his classes very much. His wife also taught me advanced Typing at NCCU. May She Rest Heavenly also.

I was a neighbor living across the street from the Fitts family. I remember getting out of the hospital after a bout of Ulcerative Colitis (UC). Dr. Fitts stopped by the next morning. He wanted me to help him pass out community flyers to each house on our street. I went to street corner and sat on cement sidewalk. I said to Dr. Fitts: “Oh My God, I can’t do this!!” He extended his hand 🤝... Said: “Yes you can do it!!” I pulled up off of the ground. I walked to the end of the street with him, leaving the flyers on the doors.

I said: Dr. Fitts ... “Do you ever remember coming home 🏠 and your front yard was full of car 🚗 tire tracks, the ground was torn up, and your bushes were run over?” He said, he couldn’t remember that at the moment.

I said.. “Well Mr. Bobby Lawrence (the summer school drivers Ed teacher) was screaming at Calvin Kearns when it was his turn to drive; because Calvin got the car stuck in your front yard and couldn’t get out for about 30 minutes. Going back & forth in the yard. We were about 15 years old. I was in the back seat of the student drivers Ed car. My stomach hurt, because I was laughing so hard. I was Screaming..... with my hand over my mouth 🗨️, bent over.... 🌀🌀🌀 that morning. I told Dr. Fitts the story, and we had a good ol’ laugh 😄😄 together. 🌸🌸🌸🌸

We accomplished the goal & by the time we walked back to our homes, I felt a lot better.

Dr. Fitts said: "I'm going to call Calvin Kearns, because I know Calvin, for messing up my yard." We chuckled some more.

*Thank you 🙏 for giving me knowledge, care, laughter & concern:
Dr. Fitts! You're a great example of strength & determination.*

God's Speed & Have A Peaceful Journey To The Other Side.... ❤️
🙏🌸🌸🌸🌸🌸🌸

Love, Dona B.

“*Dr. Fitz was one of the kindest people I've ever known. He was truly a person with a serving spirit. He was so kind and helpful to my family when my mother was ill as well as a support to my youngest son. I am so sorry to hear of his passing, but I'm grateful to have known him. May he rest in peace and may the peace of God be with the family.* 🙏

“ Sending sincere condolences to the Fitts family. One of my most recent memories of Dr. Fitts was visiting him at Brookdale Senior Living and bringing him a fried oyster dinner (one of his favorite meals). He insisted that I share his meal and take his seat and that he would sit on the bed and use his walker as a table. It amazed me that at 101 years old, he was more concerned about me being comfortable than himself. Selfless gentleman, scholar, activist, family man, mentor, sportsman and servant of the Lord are words that come to me when I think of Dr. Fitts. Rest in peace my Brother, you have truly made a difference in this world. FIETTS!

“ Sending love and healing to the family during this difficult time. Dr. Fitts will always be remembered for his wisdom, knowledge, leadership and kind spirit. I will remember him always assisting others to be better in contributing to society. He was one in a million and will be sorely missed. I am sure he is in the army of the lord now and continuing to do his father's work on the other side of the mountain. May God Comfort the Family knowing that your dad's life work spoke volumes.

“ What a wonderful person to have known in the lives of the Wilson family. Dr. Fitts always shared this joke that he and I were in the same class at NCCU which made the listener(s) think that I was as old as he. The truth: Dr. Fitts taught me during my freshman year--1954 which was his first year teaching at NCCU. He, my late husband Jairus, and my son Jevon enjoyed attending the Durham Bull's game together. They never missed a game. Dr. Fitts was a fine, considerate gentleman, and he will be missed! Rest in peace, Dr. Fitts. Your journey here is complete.
