

Ms. India Simmone Francis

February 4, 1996 - July 29, 2020

With sincere condolences, we announce the passing of Ms. India Simmone Francis, age 24, who passed away on Wednesday, July 29, 2020.

India Simmone Francis was the oldest daughter out of 7 siblings. She taught us all the importance of having a good time. There was never a sad moment when she was around because you simply were not allowed to feel any other emotion near her. Even as a child, she would find ways to make you smile. Her light shined so brightly and her laughter was so contagious that it was truly intoxicating to be around her. Those who knew her can speak to becoming instantly addicted to her energy. The girl had a way with words that brought encouragement to the most downtrodden of hearts. India's spirit was so beautiful to encounter that it's truly etched on the mind for all eternity. Many of us will still feel the impact she's had on our lives for many many years.

India touched so many lives and injected her crazy love into so many hearts that it's clear she will be sorely missed by all. The family asks that you remember all the fun times you've had with her, all of the silly ways she'd make you laugh, or just envision her smile and hear her laughter. These will be the things she would want you to do in celebration of her life.

We must all find rest in knowing that India is at peace and feeling no more pain. Though her light will no longer shine as brilliantly here on earth, we know

that she is watching over us and beaming radiantly in glory with her Heavenly Father for all eternity.

Thank you all for your loving and supporting her while she was here and doing the same for us in her absence.
