“ *Our deepest condolences from me, Val, Jalen and Graycen on your loss Judy. No one is ever ready for the passing of a loved one. On the bright side, you have Kenneth, your family, your children, your grands and your in-laws who love you! In your time of need, you can lean on all who love you for support just as we have leaned on you when necessary. Anything I can do I will, just let me know.*

But as the days pass and you share your love and support towards each other your hearts will mend. Know that my prayer for your comfort goes to the Father.*
