“ Ms. Irma was a dynamic and spirited individual with a keen mind and a keen eye. She leaves me the gift of many fond memories of long, frank conversations about life, shared laughter and exchanges of insightful advice. I'm grateful that she opened her big heart to my person, not only as a colleague, but as a friend, and always stayed true to herself. She was centered in life by her faith and love of family. My heartfelt condolences to her family and to "Timmy", the apple of her eye and center of her world, and to the greater community of individuals which she so diligently cared for and served. She will be dearly missed. Megan Van Fossen
