“Cousin Bucky was who I knew this beautiful man as. I remember when myself and family visited him in South Carolina. We walked through town as he showed us the sights. He treated us to Checkers, my first time ever trying the place! It was wonderful. We were welcomed into his home and had a great stay. I played Solitaire on his computer and thought it was the greatest thing ever. Ah, to be young! I never forgot the love we were shown. It saddens me greatly to know of his passing. We are currently fighting foreclosure. Thinking of Bucky and so much family that has given me love grants me strength to face the challenges ahead. I will never forget you. Love, Daniel Winford.

“ My sister and I always looked forward to receiving the ecards from Buckey on various occasions and holidays. I met Buckey while I attended NCCU. He and my husband were room mates at College Plaza. If you knew Buckey you knew he never met a stranger. He was one of the most well verse person I knew. It was a joy to him to have worked under Dr. John Hope Franklin. He didn't mind sharing with you his many adventures in his life. Not only did he dress sharp but he had a most winning smile. We may not have seen each other every day or talked everyday but when we did run into each other it was just like we never missed a beat. We took up where we left off. I will miss you my friend, sore high like at eagle. Oveda Slade

“ *We extend our condolences to the family Isaac McGraw II. Under his leadership as chairman of the 1994 Men's Day Committee, the Union Baptist Church Jail Ministry was established. He led the ministry for many years. The ministry continues to meet with detainees at the Durham County Jail to share the word of God. As we approach 30 years of existence, we are grateful for Isaac's vision, leadership, dedication, and his example of faith in God. - Union Baptist Church Jail Ministry*

McGraw family, you have my deepest sympathy. Issac, fondly known as "Bucky" at Boggs Academy was the classmate who kept us informed of current events, especially those of the Class of 1964. Our senior year superlative for Most Talkative (boy) was guess who. He also was class Vice President, basketball team Trainer, member of Future Teachers of America and football team member. I was privileged to be one of the recipients of some of his beautiful E cards that were posted throughout the years. He will surely be missed.
