“ I will always remember Momma telling me how cute Uncle Mickey was with all that curly hair. She was 10 when he was born. She would go to her Mom in church to get the baby so she could hold him and show him off. Granny told her if you come back here one more time I am going to beat your behind.

I remember him driving to Granny's in his Pepsi Cola truck. I remember his snack shop and leaving with peanuts and other treats. That what uncles do.

We enjoyed the many years of he and his family visiting us in Kingstree..

Uncle Mickey always had kind words for everyone. It was always a joy to visit his home. I'm still afraid to park on that steep driveway.

Rest in piece Uncle Mickey,

Love Hattie

“ My fondest memory of my Uncle Micki is getting him and my dad mixed up as a child. They favored each other so much. He was such a loving person. To me I always thought I was his 'favorite niece' until I learned that he loved all of us. He had such a big heart and a smile that lit up a room and the people he looked at. He will be missed but not forgotten. He has his wings and is united with his Heavenly Father and his family who went before him. Your love will be treasured. Loretta Shaw Helton and family
