“ Ms. Jackie and I were co-workers at Duke. From the moment we met I could sense her kindness and warmth. There wasn't a day that went by that she didn't greet me with her loving smile and "Good Morning India" She wanted to know if I was doing ok. That's just who she was. She and I would talk about our Southern Roots, especially cooking. I'm going to miss her, and I pray that God continues to comfort her family and friends during this difficult time.

Rest well my Jackie. And I send my Condolences to Mr and Mrs Graham, Wanda, and Jackie's children 🙏❤️🙏*

“ We met at Duke and instantly became great friends. We always talked about how much we both loved our families and what they meant to us. Your bright and beautiful smile would always brighten our day. You would always give me such great advice and taught me to give it all to God when going through hard things. We were like two peas in a pod at work always together and joking. You were the true meaning for a great friend as well as a big sister. I'm sending my condolences to all her family and loved ones. May you rest easy my sister and fly high. I love you and miss each and every day ❤️❤️
