“ *To The Hooker Family,I am very sorry for the lost of your loved one. When someone we love dies it leaves a void in our lives, because death is not natural and it hurts. The bible is the one place we can go to for comfort,and hope. It also helps us to understand why we die. Genesis 3:12-19 tells us the why. Adam and Eve disobeyed God and in turn we inherited sin from them. so they passed death on to us. Our hope is found at Romans 5:12. Since God never intended for us to die but to live forever on the earth,he made a way out for us and you can appreciate that when you read these two scriptures from your bible.May you find comfort from the bible.*

*Sincerely,
Elizabeth*
