“ *Dear Lisa and family,
James was one of my nicest and dearest students at Caldwell Community College in the Pre-Job Program many years ago. I also met him at Kings Creek at a ballgame several years ago and have always been so proud of him. I am so sorry for his loss.*

My deepest sympathy to my dear friend Lisa during this time of loss. I was so sorry to hear about your husband. My husband and son remembered him as an umpire and as such a kind man. Please know that you and your sons are in my prayers. You will always have a special place in my heart. I miss you. May God bless you with peace, comfort, and strength that only He can provide during this time.
