“ *I am very sorry for your loss . Losing a loved one in death is such a difficult thing to experience . Please be comforted by the promises in the Bible . Jesus tells us at John 5 : 28 , 29 that all those in the memorial tombs will hear his voice and come out . What a loving provision put in place by the God of all comfort so we can have the assured hope of seeing our dead loved ones live again one day . Meanwhile as I pray for that day to come I ask Jehovah God to bless your family and give each of you the strength to endure this most trying time .*

“ *I watched him grow up from a child and into adulthood. He always stayed at the top of the young people I knew. He was just a fine person that I am happy to have known. God knows best, but we need more young people like him among us. Wishing God's blessings on the family.*

“ *I am truly sorry to hear and later learn that Jamie transitioned to his heavenly home in such a tragic manner. His father passed away when Jamie was very young and reportedly Jamie did not remember the sound of his father's voice. Well now they both are talking; Glory to God*
