“ To say, "I will miss Janie", does not begin to truly convey her loss for me. She was such a dear friend to me for over thirty years. She helped me raise my children, take care of my home, shared great cooking tips, gardening tips, cleaning tips, and how to love and be a friend!! I loss a part of my family! 😭 We have shared so many good times together that I will cherish and find comfort in amidst my grief! Sincere and loving condolences to your sons and your entire family!! Your big smile and laugh will help me through! I love you, Janie!
