“ I have the fondest memories of Jean as a coworker at Durham Technical Community College! She was a strong advocate for securing the very best resources for students and she gave her best instruction and guidance to them! She also was involved in activities outside her department and made many friends there. She has impacted generations to come!  
My sincere condolences to her family and friends. May loving memories of her comfort you, always.

“ I will always remember the day I met my half  
sister Jean. She was gracious and loving from  
our first encounter. We shared many laughs,  
stories and life accounts together. I will not  
forget her and will keep her in my heart  
forever.until we meet again.
