“ *Ms. Bowman Smith was the sweetest most dignified women I've ever met. She was well spoken and there were never any qualms regarding what she would and would not do; she was always very clear about her intentions. Family was important to her as were her civic responsibilities and duties within her community. I had the pleasure of working with her but the privilege of being her friend. She added value to my life and will be greatly missed.*

“ I was so sorry to hear about the passing of Bowman. She and I worked together at the Raleigh Local Office. She was such a kind Lady. My sister Geraldine who works at the Central Office called her ("Puff Puff") because of the way she wore her hair, that made Bowman laugh. Bowman will be missed. Our deepest condolences to the family.

May God grant the Family of John Ester Bowman Smith peace during your time of Bereavement.
