“ *My sincere condolences to the family of Deacon John Lee. May God give you comfort as you think of his subtle smile, his stern way of expressing himself and the fun times you shared with him. I will always remember him as a spiritual and God fearing man during my days at Orange Grove.

“ My deepest sympathy goes out to the Lee Family. Growing up as a child on East End Ave & attending Orange Grove, gave me the opportunity, to observe a man who was "sold out to God." A man who was always willing to talk about his God to anyone who listen. Not only did he use his voice to talk about God, he also used it to sing for the Glory of God. One of my favorite songs was when he would sing "Oh Holy Night" @ Christmas time. Though he may be absent physically, his memories will forever live in my heart. He has gone to get his reward & has taken his rightful place with the heavenly choir. My prayers will continue to be lifted up for each of you. Be blessed.

“ Deacon Lee was a true man of God. He was an old school deacon who could pray the angels down from heaven. He loved the Lord and he loved to minister to others about the Lord. During my time at OG I loved the way deacon would always greet me with that firm handshake and say hello PREACHER! To God be the glory for a life well lived. Pastor Fernando

“ To the Lee Family, please know that I am praying for you during this time of loss. I have such fond memories of Deacon Lee. As a college freshman, I began playing piano and organ at Orange Grove Missionary Baptist Church, and I got to know and love your entire family. Deacon Lee was always one I could count on for advice. He was consistent and a man of strong character. He was also committed to the Male Chorus, which is where I had most of my interactions with him. May you find peace in the Apostle Paul's promise assuring us that "to be absent from the body is to be present with God." I pray that your tears will be replaced with joy in the days to come.

Humbly,
