

Mr. John Clarence "Skeepie" Scarborough, III

September 14, 1937 - November 7, 2020

Commemorating the Life and Legacy of
John Clarence "Skeepie" Scarborough, III

With utmost grief and sorrow, family members of John C. "Skeepie" Scarborough, III, announce his departing this earth on November 7, 2020. As "Skeepie" journeyed on to his heavenly home, he left behind unnumbered broken hearts and a void in the lives of all who knew him that can never be filled. "Skeepie", as he was affectionately known, will live on through the lives of everyone who knew and loved him. We all will forever be nobler humans for having had the opportunity of knowing and loving him. This world was a better place because John C. "Skeepie" Scarborough, III meandered it, and will forever be less so now that he is absent from it.

John C. "Skeepie" Scarborough, III, CFSP was the CEO of the Scarborough & Hargett Celebration of Life Center, Inc. His tenure as an official in the family company began in 1961. Along the way, his vision, leadership, and insight played a significant role in maintaining the funeral home's reputation as a leading company in the mortuary business at the local, state, and national levels. Beyond his involvement at the local level, he achieved prominence among his professional peers both at the state and national levels.

With dedication and compassion, as President and CEO of the Scarborough &

Hargett Celebration of Life Center, Inc., a 149-year-old family business, “Skeepie’s” desire was to continuously provide “A Dignified Service in a Sympathetic Way.” J.C. Scarborough, III, was from a long line of outstanding trailblazers and pioneers who have served their communities.

J. C. Scarborough, III, had an exemplary record of public service, which was reflective of his many present and former acts of volunteering, memberships and leadership positions on boards and associations. "Skeepie" Scarborough's love and life-long commitment to his community; city, county, and state were exemplary of his active participation in civic, fraternal, and professional organizations. “Skeepie” gave unselfishly of his time and talents. On numerous occasions he was honored; yet he remained a "down to earth" public servant with total respect for all humanity. John C. "Skeepie" Scarborough, III exhibited talents, skills, and a personality that conveyed love, caring, grace and compassion and lived his life honorably. He was a kind, gentle, hard-working, and humble man who served all he cared for with the utmost dedication and relentless perseverance toward excellence.

Cherishing his memory are his devoted wife Queen M. Scarborough; two children, Scottie and Tonya; grandchildren, Terrell, Tiaira, Samuel, Logan and Tyler; mother-in-law, Retha T. Marable; brother-in-law, Floyd Marable (Linda); sisters-in-law, Anna M. Gee (Willis) and Aretha M. Cunningham (Curtis); cousins, Sylvia Strong Wiggins, Yvonne Thompson, Brian Hargett Greene and Nathaniel E. Hargett, III; God sisters, Shirley Caesar and Melvina Parker; extended family members, employees and countless friends.

"Skeepie" will be remembered for his indelible wit, sense of humor and polished level of respect for others.

A celebration of “Skeepie’s” life will take place as follows:

“ *My Dear Queen,*

There is an enormous and irreplaceable absence in our Palmer Memorial Institute family. We loved Skeepie and Skeepie loved Palmer!

He was such a dear person and a loyal lifetime friend who was kind and compassionate. Skeepie was an old-style gentleman who never failed to place assisting fingertips at the elbow of ladies and the elderly or to open a door or to rise and stand in respect. Surely our founder, Dr. Charlotte Hawkins Brown, was looking down and smiling at her loyal pupil.

I pray that you and your family will find comfort, peace and smiles at the memory of such a good man. He was so proud of you, Queen. We Palmerites will cherish the memories of Skeepie — the natty dresser, the good dancer, the flashy basketball player, the animated story teller and the guy who was kind to everyone on campus.

*My husband, Bill, and I and Mother, send you our love and prayers.

On behalf of the McAllister and Green families, we were truly saddened to hear of the passing of “Skeepie”. He was a good fraternity brother and a pillar in the community. “ What a Great Man! Words cannot adequately express how much I respected this brother. He was a walking historian. I remember our chats at his funeral home and at my office at Russell Memorial CME Church. He would always teach me about the outstanding history of Durham, NC especially the historic "Fayetteville Street." We were also members of Durham Alumni Chapter of Kappa Alpha Psi Fraternity, Inc. “ Honoring the Spirit of
John C. “Skeepie” Scarborough iii

I smile every time I think of my cousin John affectionately known as “Skeepie.” Our family love flows strong and deep leaving me memories to treasure and keep. Only a heart as dear as his could give so unselfishly. He meant the world to me and I will cherish him calling me “cuz” instead of Sylvia. He was priceless!

The many things he did for his family as well as his community let me know how generous, supportive, kind and how sincerely he cared. Even though I might not have expressed my appreciation for the things he did, I’m richly blessed to have him as my cousin.

When he and his mother, known to me as Aunt Hattie, visited Pasadena, California for my wedding forty-five years ago, they met many friends. Many years have passed however, “Skeepie” still inquires individually about everyone he met.

As funeral director, of the Scarborough & Hargett Celebration of Life Center, Inc., Durham, North Carolina his generosity was unlimited. Several family members entrusted their memorial service to the Center and “Skeepie” performed his magic on each person. He is gone but not forgotten! I will miss my cousin but will continually carry him in my heart.

With love to Queen, Scott & family.

Loving Cousin, Sylvia Strong Wiggins Pasadena, California

“ It was back in the early 1970's when Skeepie and I, and my wife, Jo Anne established a long, lasting relationship as colleagues in funeral service, as well as on a personal level. We met at a convention of the National Funeral Directors and Morticians Association. He knew Elaine Parker, my cousin, who's funeral home is in Hillsborough, NC. That definitely cemented our friendly relationship, as on my mother's side of the family, we were North Carolina related. Skeepie eventually became acquainted with my daughter, Jennifer and my son, "T.J." as they became older and attended the conventions with my wife and I. We witnessed Skeepie's enthusiasm, determination and dedication to his family, his community and his profession over the years, as he laid a foundation in becoming an icon in his own right, and creating a legacy that he will have left for all with whom he came in contact. I reflect on the birthday cards we would send him over the years, and on the magic tricks he enjoyed me showing him sometimes. We offer our heartfelt thoughts, empathy and sympathy to all of the Scarborough family. May God's Love be with you.

VHM & Fresh Anointing send their heartfelt condolences to Ms. Queenie and the entire Scarborough family; especially his children and grandchildren. Skippy always knew what to say to families at the closing of a service. He would present the African Black Bible, and would thank and pronounce every participate's name correctly. “ I have fond memories of Skeepie. Skeepie and I were on the '58 pledge line for Kappa Alpha Psi and many nights during that time, he would invite the line brothers to his home at night, when the big brothers thought we were all in our rooms. Skeepie's mother would prepare snacks for us and allow us to get rest those nights. Skeepie was a great basketball player and with his skills of dribbling and shooting, we were able to defeat a challenge by the Alpha team. Each homecoming, Skeepie would always find me and share many of our great memories at dear old NCC.

“ To The Family of Mr. John C. Scarborough!

We were very sorry to hear about the passing of Mr. John C. "Skeepie" Scarborough. Please remember that God is too wise to make a mistake and to Holly to do any thing wrong. Prayer is the key, but it takes Faith to unlock the door. I met "Skeepie" in 1954 as a young boy just moving off the farm from Raeford, NC, and he treated me as if he had known me for many years. He was a perfect gentlemen then and every time that I saw him over the past 66 years. "Skeepie" never met a stranger. He was an excellent Tennis player at Hillside and North Carolina College. (Now North Carolina Central University). He played a roll in bringing some of the greatest players in the world to Durham including Author Ash. He helped local players by giving them equipment when their parents could not afford, and also supported a Soap Box Derby Program by buying materials and equipment to help the The Late Mr. Moore (Contractor to build the Soap Box Derby Cars).

"Skeepie" supported the entire Durham Community; however, he did not talk about all of the great things that he did to help people and his community. He was the type of man that believed that what you do speak so loud that they cannot hear what you say. He was also a historian that could talk with you on any subject including historical events.

Thank you "Skeepie", because what you did to help Durham, NC, the State will never be the same.

To Queen and the rest of the Family, we love you and we will keep you in our thoughts and prayers.

“ My entire family is deeply saddened to learn of the passing of Mr. Scarborough. Skeepie was not only a respected and beloved mortician in North Carolina, but he was also a dear family friend as long as I can remember. Skeepie and my late Father, Raleigh Mayor Clarence E. Lightner would frequently travel together to places near and far to attend meetings and conventions of the Funeral Director’s Association. Additionally, it was not unusual for Mr. Scarborough to be seated at our table on some afternoons for Sunday Dinner.

He always came with cheer and a positive attitude, no matter what was going on at the time.

Whenever Skeepie was in Raleigh, even after the death of my Father in 2002, he would still stop by our funeral home to check on us and to offer his loving encouragement and support. Loosing Skeepie Scarborough is not only a loss for Durham but also a great loss for the entire State of North Carolina. May my dear brother and friend rest in eternal peace.

“ *Our fathers were not only professional colleagues, but they shared an ardent friendship. Such has been the same for their sons. My life has certainly been enriched because of our lifelong association as colleagues and friends. And, we both shared the distinction of being two of the six Presidents of The National Funeral Directors & Morticians Association who hailed from the great state of North Carolina. Rest In Heavenly Peace my Friend. Thank you for all of the great memories. Thank you for being the curator of our History. Thank you for your Legacy. Thank you for just being Skeepie.*

“ *Truly Mr. Scarborough was a Living Legend! Yet, He was so eloquent, and so approachable. We always shared our special moments together every opportunity we had: a glowing smile, meaningful embrace, a joke, history lesson and a How's the baby? And, your parents? The Young Man and Hold On, you're doing just fine!*”

I thank you for empowering and cheering me on over the years. I will cherish your memory and heartfelt kindness towards me forever!

The measure of a man is not how tall he is, or how much he has, but what he is able to give to all who need ,in their time of need. Mr. Skeepie was that to everybody, he had the ability to make you feel like he was there just for you, while being there for others who needed him. A genius mind that could recall the roll without ever having a program!! Thank you Lord for blessing us with Mr. J C Scarborough

The Hillside High School Classmates of 1955 share the loss of our dear Skeepie. We stand with the family as we seek to accept God's will. We support each other in love and prayer and know that Skeepie lived a very involved life and shared his warmth with each of us. We only wish we had recorded the history that he often shared during our gatherings.....outstanding history of Durham and Haiti. ❤️ Sarah Bell-Lucas On behalf of the HHS 55ers

*i have such fond memories of my decades old friendship with Skeepie, the gentleman, the man of integrity & humility, & of course his dry" humor!! He always told me he would be the last friend "to let me down". This Scarborough family has provided services to my family for more than eight decades, always with dignity.

*To Queen and the Scarborough Family, the Edwards family offer its sincere sympathy at the transitioning of Skeepie. We shall always cherish the friendship that he shared with the late John Edwards, especially during the Civil Rights Movement back in the 60s and it carried through to the passing of John. God is with you at this "moment in time" and He will sustain you in the days to come. Peace and Love,
