“ *Joseph "Noodie" McGill was one of best all round athletes to come out of the Walltown Community and Hillside High School. He excelled in football, baseball, basketball and track. He could have easily gone from high school to Major League Baseball. My fondest memory of him was playing with him on the Championship Walltown Twins fast pitch softball team and the Hillside Hornets Baseball team. He was a true friend and an excellent brother to have in your corner. One could not find a better teammate as him. He will be truly missed by me and a host of former friends and athletes. With heartfelt sadness, I submit this tribute to my brother and friend,  
Sincerely,*

*This Is Tuffy. His Youngest Nephew. Youngest Of his Brother, My Dad John "Big Meat" Mcgill. I am sadden to hear of his passing. Me and My Brother lost contact with Him after the passing of Dad. My fondest memories of him was when he would attend me and Darryl football games at Southern High back in the day. It was always good to see him. He always had a smile and a few good laughs to share when he came around. Back in the day growing up, loved to ride with Dad out to old farm and visit and watch him and dad cut up while me and Sandy Played basketball in the driveway. Him and Dad was so close and always had a good time together. Never got the chance to reconnect with him. So saddened to hear this. Two of the "OldWalltown" Legends. Gone but Never forgotten family and friends that want to reach out contact me Tuffy @919-423-4894*
