“ I send my most sincere condolences to Ken's family. I met Ken years ago at Brstol Myers, and we became friends almost instantly. That smile of his was indelible. His quiet demeanor was to be admired. I am both shocked and saddened by his passing. We both were Soldiers, and I will always salute him.

“ My deepest condolences to all Ken's family. Ken and I worked together at Seqirus for several years. He was greatly liked by all and always greeted you with a smile. We shared many stories of our grandchildren with lots of laughs. He truly loved his family a lot. My thoughts and prayers for Ken's family and his good friends. God Bless you all.

“ Thank you for being a wonderful uncle! Every holiday I knew you'd be one of the first people I'd hear from. You always checked on us and just showed the love and concern that only family can do. You were always sooo loved & now you will be forever loved & missed. God healed you, Unc. It wasn't the way I hoped or prayed for but He healed you nonetheless. Rest well, Unc until we meet again❤️
