*Thank God for the life and sharing of Kenneth Wayne Harris. He brought strength and laughter to the hearts of many. As requested, his baby girl, Kenya, our daughter, donated her kidney to prolong his life. She unselfishly, nurtured him during his stay at the Brian Center in Durham, NC while attending nursing school and caring for her own school age children. Thank you so much for supporting us and giving me our daughter, Kenya. Much love and sadly missed, Kenya's Mom.*
