“ *The Johnson Family, I am deeply sorry for your lost. The death of a love one is painful, even if the person was very sick. Not being able to see, talk or hug them anymore makes us sad. Can we really believe what the Bible says? If so, it give us hope and a promise.Psalm 36:9 say "With you is the source of life, By your light we can see light". It was never Jehovah God's intention for man to live a little while and grow old, get sick and die. 1 Corinthians 15:26 "And the last enemy, death, is to be brought to nothing." You can see your loved one again. We have inherited sin from Adam and Eve, so that's why,but what can we do about it? The answer is found in the Bible also.*
