“ *The Wilson Family, I am very sorry to hear about your lost. No matter how much time has passed the void and pain in the heart is still there. The Bible offers the real hope and comfort that we can't get any place else. First, because Jehovah God hates death. The Bible calls him "the source of life" Psalm 36:9 , Acts 17:24,25. The one who gave life to all living creatures is certainly capable of restoring life to someone who has died. Please use your copy of the bible to read these scriptures and find the comfort and hope that the bible holds out to all of us.
Sincerely,
Elizabeth*
