“ *Dear Brett and Vikki,*

My deepest sympathy and condolences on the death of your Mom. You know what an amazing lady she was but I just want to echo what she meant to me. Although I had not spoken to your Mom in many years, she was never far from my thoughts. She had a profound impact on my life because she pushed me to be more than I ever thought I could be. I am sure I speak for many of her former students at Parkdale High School in saying how thankful I am that she passed this way and was a part of my life.

I will keep you all in prayer at this most difficult time.
