“ *Michaux Family,*

The Bible give a hope of a Resurrection on earth. Notice John 5:28,29 it reads "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice [the voice of Jesus] and come out." Please use your copy of the Bible to read the whole scripture. I am sure you will find comfort from the Bible knowing you can see you love one again. When on earth Jesus raised several people back to life. His friend Lazarus had been dead for four days, so on a small scale he demonstrated what he would do on a larger scale in the near future. You can read John 11:11, 14-44. A beautiful promise to look forward to.

“ *As a young boy living on the corner of Lawson and Alston I remember how he was a kind man with a smile and words to say to us kids as we were always running in our friends yards. My prayers go up for his family to comfort you in your loss.*
