“ To the Jones family, I am deeply sorry for the loss and I am praying for your family.. To My niece ReRe, I know this year has been very hard for you and you are in my prayers also. I didn't know Mike that well but he had a pleasing personality and was good to his kids...I always say that we are all loaners of God and once your purpose in life is fulfilled, He calls his servants home. I know it hurts because this has truly been a rough year.He left you two beautiful sons and when you look at them you will see him. I will continue to keep you and your family in my prayers..If you need me or just need to talk, I am here.. I love you, Malachi and Messiah very much.....
