“ *Steve and I met 15 yrs ago while working at UNC. From the first day and up until the end , we became best friends and "brothers" He made me laugh and smile for all of the 15yrs we either saw each other or spoke on the phone. I have too many memories to just share one, so I will just say I'm gonna miss my BEST FRIEND more than you can imagine, he was truly cut from a different cloth, I'm sure I will never meet anyone like him again!!*

“ My heart goes out to Steve's family. Steve was an absolute pleasure to work with at UNC-CH. He was always a gentleman, very dedicated to his work, and had the biggest smile that automatically made you smile.

Every time someone brings up Steve's name, I think about our Division's trip to Kings Dominion. We convinced him to ride the Pirate Ship with us and somehow he lost his toothbrush. Well we spent I can't remember how long going from shop to shop to see if they sold toothbrushes. Then we talked him into riding the Drop Zone (takes you up 200-330 feet then abruptly drops you). Steve sat beside me - well I had no idea I could raise my leg until Steve hooked his leg under mine and lifted it way up. We laughed so hard once we got off the ride - he just kept saying that's all he could think of doing to keep him in his seat.

Mom & Dad you have every right to be proud of your son. I couldn't have asked for a better young man to work with at UNC-CH.

My thoughts & prayers are with you.  
Sorry I couldn't make the service today.

*Delores, God is with you through this most difficult time; remember when Michael was a tiny baby, and God allowed you to have him for many years, no, not as many years as you wanted, but these have been years you can remember and be encouraged. God will continue to be a blessing in your life, He will keep you through these times. God is perfect, He does not make mistakes.*
