“ *WOw! 96 years old!! What a wonderful testimony to a life well lived. I am deeply sorry to learn of the death of Mrs. Millie, but I am sure that those she leaves behind have a storehouse of special memories that will forever live in your hearts. I pray that the loving concern of caring friends and compassionate family members will surround you and that you will know how much even strangers care about your loss! ALthough I never had the chance to personally meet Mrs. Millie I can tell by her picture that she was a take no nonsense kind of person. How good it is to know that like so many others, she has the wonderful promise from our heavenly father of living again. Yes, at John5:28-29 the bible assures us that our loved ones will live again! What a wonderful time that will be!!*

“ *Psalm 90:10 refers to those who reach 80 years of age as being "especially strong." No doubt, this fits Ms. Lee. However, Psalm 37:29 points to the time when righteous one will live forever on earth. Hopefully, that thought will comfort you during your temporary loss.*
