“ *Roseanne and Lewis,*

You have my deepest sympathy. Misty was a beautiful flower, one that would light up any room if she was in your presence. She was my other daughter as she would call me Momma San. Roseanne I know it's not easy losing your baby but know from experience that I to have been down this road and God makes no mistakes. He comes to take back what truly belongs to him. The very last time I saw the 3 of you at the south food court at Duke was my last memory of her, but it was a good memory that I will hold dear to my heart. I am always here for you to talk and you will forever be in my prayers. Always know that his word reads To be absent from the Body is to be Present with the Lord!!!
