“ I was deeply saddened by the news of Mrs. Lyons passing. I consider myself truly blessed to have had the privilege to know her. She will be remembered as a prayer warrior, as a teacher and as a woman who lived by example and who walked by faith. Her gentle spirit and encouragement greatly influenced my life and I know that she positively impacted the lives of so many others. So many have been blessed by the life she lived.

Her Journey's Just Begun

*Don't think of her as gone away
her journey's just begun
life holds so many facets
this earth is only one.
Just think of her as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days or years.
Think how she must be wishing
that we could know today
how nothing but our sadness
can really pass away.
And think of her as living
in the hearts of those she touched
for nothing loved is ever lost
and she was loved so much.*

“ There are so many fond memories I had of my Aunt Nannie, one in particular is when she came to my college graduation. It was her first visit to New York and my graduation was in Westchester. Her granddaughter Dawn said she went missing and when we found her she said, "I heard church bells so I followed it and had worship." I will miss her dearly and she was one of a kind.
