“ *Getting to visit you and Stan as a kid was a real treat. You'd teach us about all of the flowers in your yard and let us help in the kitchen. I am grateful for the impact that your family had on ours. I pray for comfort during this time. - Brittany*

“ Maritza there aren't sufficient words to express what I'm feeling and have been feeling these past days. Uncle Tab and I extend our sincerest condolences to you and the family. Nilsa was one of my best friends. I shall never forget when we traveled to your mother's birth place (Virgin Islands) for a two week Vacation. Fun was had and shared great time with the family. Such a wonderful family. Also our employment at Durham Housing Authority. We shared good times there even though we were working. I could go on and on. I Love you guys and thanks for loving us. I going to miss my girl. I'll always remember the name she and your Dad gave us (IN) inside joke lol. Nilsa was beautiful inside and out. Ashley and her girls send their regards too. May she rest Eternally. 🙏❤️❤️ With all my Love, Cynthia

Stanley and Maritza, my sincere condolences to you, and your family. Maritza I meet your mother over 35 years ago at her job over in the East Durham area where she worked as an Apartment Manager. I was delivering mail to the area, and the office where I encountered her presence regularly. What I remember most about Nilsa was her helpfulness, kindness, and that infectious, and beautiful smile. Even though I haven't seen her for many years, the memory of her will never fade. I have even delivered to you several times at your old address in Durham off of Newby Dr. May she Rest In Peace. With love to you, and your family Sondra Hyman

“ *I remember when me and Brittany use to spend the night with you and Stan! I miss that so much! You would make us buttered corn anytime we asked Lol! And you use to let me sneak and watch Stan practice with his band. I joined band from middle through high school because of you two! I am forever grateful for the impact you've made in my life! I know I am the woman I am today because you all were apart of my village! I love you! 🌹*

“ Nilsa was Carlton's co-worker at Duke from 1996 until her retirement. Her kindness, support, advice, and wonderful sense of humor saw him and others through the difficult times & made the good times more joyful. Carlton will always remember her as his Tia Nilsa. May your memories of the joy Nilsa brought to your lives bring you, her family, peace & comfort during the coming days. God bless you all.

Nilsa my love you will forever live in my heart. You were my angel you were the manager in Lynnhaven apts. and approved me for an apartment when I was in desperate need of decent and affordable housing. You not only was the manager but you embraced my family. You made my life so much easier as I struggled to raise my daughters as a single parent. We became more than friends you loved and embraced my grandkids and we just laughed so much when you would call to rent my babies during Christmas. Words can not truly express my love and gratitude for the impact you made in my life. The world needs more people like you my love. I can smile through my tears when I think you. My sincere condolences to Maritza, Stan and family.
