“ *Dear Family, we were so saddened to hear of the passing of our beautiful cousin.. We can only hope that she is now with the rest of her loved ones, and we shall always cherish her memory. We particularly remember her beauty, caring spirit, and love of family. She always endeavored to organize and attend family reunions (doing much needed research herself) and funerals. We wish that we could be with you today to memorialize this great spirit, but the inclement weather will not permit us to do so. However, we are with you in spirit and share your grief. Walter and Ruth Greenfield.*

“ *I am so sorry to hear of Orenn's passing. I haven't seen her in a number of years, but was with the Durham Public Library when she was hired in the late 60s and there when she retired. She was a dedicated and versatile librarian who shared her talents throughout the library system. I admired the care she gave to her family and valued her support and friendship.*
