“ I love Pam. I am stunned by her passing and I will miss her dearly. Her spirit soars now because she received her wings. I will remember her sweet spirit, how she put her all into directing our choirs and her love for our God! My prayers are that Pam's family will have peace and strength when they need it and beautiful memories to bring them smiles. I love you all. "Aunt" Kaye

“ I am praying for the family and know that God will guide and comfort you. My cousin was one of a kind and loved her family. I am going to miss seeing her when I come to church and experiencing her comforting spirit. She taught me how to be a leader singing as a child. I know that she completed her job on earth and was greeted with a job well done.

I will truly miss Pamela as we often run into each other shopping and would always talk briefly. I often got the names mixed up. I would call Porcha, Pamela and Pamela, Porcha. Of course, Pamela would just keep talking with me. Deepest condolences to the entire family. I enjoyed Pamela so much that her death deeply saddened me. Rest in heavenly peace, Pam.
