“ I worked with Patrice for 6 years. She was an amazing woman. Always full of life and love. After we both left the company we remained close friends. She will be truly missed by me. God has an awesome angel with him.

“ I worked with Patrice for several years. I found her to be one of the most selfless and caring persons I have ever met. She always had a good word for everyone and wanted everyone happiness and life fulfillment.

She was so proud of her children and she wanted to make sure they were always happy and know they were so loved.

May God Bless her family and know she will be looking down and smiling on them until they meet again!

“ *My condolences to the family and her children. Patrice was a church member at Pleasant Grove church for years. She and our children sung in the choir together and she had a beautiful voice just like her mother. She had a sweet spirit and loved her children. She will definitely be missed of course but God missed her more . God's word states to be absent from the body, is to be present with the Lord.*

“ *Patrice was my coworker, my buddy, and then my supervisor at PRC. During our time there, we may have been a small team, but we were truly family. We showed up for one another through every season of life. We celebrated her wedding, supported her through pregnancies, and shared years filled with laughter, love, friendship, and unforgettable memories.*

My heart is deeply saddened hearing this news, especially for those beautiful babies. But I know God will cover them, protect them, and provide for them. I'm praying the village surrounding them rises up and shows the true power of community, love, and support.

Patrice was pure laughter and love, and anyone who knew her knows how deeply she loved those babies.

Let's continue to show up for them the way she always showed up for others.

*Patrice, rest up dear. Job well done. Love you, girly. ❤️

I really do not have the words to say. To her children, I wrap my arms around you with support and care. May God comfort, heal, and protect her children as they navigate this unfathomable journey.

I thank you Patrice for sharing so many memories with my family. Memories that we will cherish for a lifetime. Thank you Patrice for the joy you brought to so many in the time God blessed the world to have you. I am so sorry for your loved ones loss for you will always be one of the most beautiful Souls I have ever been blessed to meet on this side of life. God knows all and sees all, we don't understand at all why you were called Home at such a happy time in your life. To watch you maintain so many hats in life all while obtaining new paths to greatness and now gone so soon is painful in itself. I ask God to strengthen the Village, family, and friends for here as we will grieve the lost of such a the lost of a Mother who gave more than we can ever replace to her 3 beautiful children.
