“ To all that knew her,  
I'm speechless at the sudden passing of my friend of 67 years. A beautiful lady inside and out who devoted her life, time and talents to make life better for all she could. We were each others Maid of Honor and she cherished her family life. We walked together for our Whitted Jr. High, Hillside High School and NCC College education and remained together in all we did in our careers and retirement. Just a few day before she left me, we talked about the goodness of life and our many blessings I will celebrate her life again on October 19,2021, her birthday that we were looking forward to. REST IN PEACE, Pat until we meet again.

*Mrs. Hill was a kind, welcoming woman who always made me welcome when James and I would run around town during high school. She was generous with her hospitality and it was always a treat to see her on visits to Durham. She raised a son she loved very much into a fine man - one of my very best friends - and she set an example of admirable public service for us all. May she rest in peace and live on in the hearts of all who knew her. Love, always, to the Hill family.*

*I was just checking addresses for writing holiday cards and learned that my friend, Pat Hill, had recently passed away. We worked together at Durham DSS from 1965-70 during the early days of civil rights, when black and white colleagues finally had the opportunity to work and travel together. It was a fun and growing experience for all of us. I also remember when Pat got her Mustang! We were all envious!*
