“ *Dennis & Malcolm, my family was so sorry to hear of Paula's passing and we extend our sincere prayers and condolences to you. She loved both of you so much and was so proud of you! Dennis, Paula, and I became friends at Grambling State University and then came to North Carolina at the same time. We shared so many meaningful times together. I have always admired the loving relationship and marriage that God blessed Dennis and Paula with! Paula was always wise beyond her age!*  
*May God comfort you and grant you His supernatural strength during this time and in the days to come.*
