“ I just learned of dear Peg’s passing. What a dear soul and good friend to my mother, Ann Sorrels and to me her son, Bob Sorrels. Peg did domestic work for us and looked after me in my early years growing up. She was like an “auntie Peg” whose memory I will always cherish. My condolences and celebration of a long life well lived well go out to her family.

*To Peggy's family...I just learned of her passing today. I am so sorry.
Peggy's was a dear friend to our mother, Louise Scott. They worked
together at Memorial Hospital at UNC. I enjoyed taking mother to visit
Peggy's after they had both retired. She always had interesting and fun
stories and offerings from her garden to share. When mother passed 7
years ago, Peggy stepped in and regularly checked on all of us
encouraging us and reminding us of how much mother loved us. I
loved Peggy and hope she knew that. I pray she will spend eternity
bathed in the kind of love and warmth she gave so generously. Bye-
bye Sweet Peggy. Kiss my mother for us.*

“ *Condolences to the family of Ms. Peggy Mack. May her memories sustain you in the months ahead. She and my mother were good friends during and after their years of service at Memorial Hospital. I will cherish the memories of her and the endless conversations she and my mother (Marie DeGraffenreid) had regarding family, friends, gardening, cooking, canning and their work days at the hospital. I also remember the close bond Ms. Mack had with her coworkers (Beasley, Blue, Bright, Cooley, Garrett, Hines, Holiday, Lynn, Scott, Waller, Williams) and many more as they called each other by their last names.*

Well Done Good and Faithful Servant Well Done!!

“ Ms. Peggy Mack was the last of the "Golden Girls"...she has joined my Mother, Helen Holliday, Louise Scott, Mattie Williams, and many other co-workers from UNC Hospital in making a heavenly transition.

Ms. Peggy Mack was a true "Earth Angel" and her many acts of kindness will always remain in my heart and memory....The pound cakes she would bake for my mother during her illness as well as the fresh cut flowers she would send to her was done with such love and followed up with multiple daily phone calls.

I remember going to her garden with my mom and sisters to pick turnip greens, turnips, beans and whatever she was growing...and having a ball just laughing and cutting up...she even made a quilt for me when I was in high school, and we went to many early morning yard sales on Saturdays and she could find some great deals too. I will truly cherish the impact that she made upon the "Holliday Family" and all the love she gave to us....These beautiful memories will be the blessing that will give me the strength to help process my grief. We will miss her but will never forget her kind deeds, love and encouragement....WE LOVE YOU MS. PEGGY MACK!!!

“ Our deepest sympathy for your loss. Our prayers are with the family. Memory: I remember Ms. Peggy Mack from her cooking and gardening, she and my mom Romelia Burton Mangum often laughed and talked about. When I was growing up, I called her, Aunt Peggy and enjoyed her cooking. She had a beautiful smile, always so kind and sweet to me. She will definitely be missed.
