“ Our hearts our heavy and minds weary for we have loss another piece of our family. It still doesn't seem real. P.O. came in a little package with one of the biggest hearts. I hope she knew how much she was loved and how much of an impact she had on us all. Rest well my friend. Your steps have been ordered and I am sure your soul is at peace. Thank you for the way you loved each of us. You will be missed.
