“ Love is where the Heart is. Regenia "Gina" will always be a part of my Heart. I will cherish the last day I visited her. We new each other all of our lives. We went to the same one room schoolhouse where my grandmother Corina and Gina's aunt Corina taught primary school. We rode the same school bus to elementary and high schools in Roxboro, NC, and finally graduated together from Person County High School over 65 years ago. While I was living in Washington, DC, she and Gus would also stop by to visit me as they passed through Washington, DC going south or headed back home to Connecticut. Gina was a beautiful, loving, and helpful person. I will always remember her. Love Always, Heberlean "Herbie" Bass-Joiner
