“ Oh, Uncle Ricky💔.. what are we going to do without the stomach aching laughs, the singing in the background out the blue, the roasting battles during our visits. Who's going to give Grandma a reason to laugh, smile and roll her eyes all at the same time everyday like you do? (Lol).. I looked forward to you during my visits "home".. I'm going to miss our bond so much it hurts, daily.

Thank you for the memories, thank you for picking up where Dad left of when he left us.. thank you for taking the time, all the time. You broke a lot of hearts with this one, Unc! Especially mine... Who's going to randomly harmonize with me and play chess with me on the porch now? 😞

I love you too the moon Unc💕

Give Dad, Popa & Uncle Wayne all my love.
You finally get to see them again💚
I hope to continue to make you all proud.
